

# VORT SARITA

TELECOMMUNICATION AND NETWORK  
ENGINEERING STUDENT

## About Me

I am a third-year student majoring in Telecommunication and Network Engineering at the Institute of Technology of Cambodia (ITC). I thrive in learning and developing both new and existing skills. I am dependable and often seek out new responsibilities across various fields. My approach to work is energetic, focused and i am both determined and decisive. I am eager to take on opportunities where i can grow and improve as a future engineer.

## Contact

-  +855 15 881 107

-  St. 7k Songkat Krang Tnong,  
Khan Sensok, Phnom Penh

## Skills

- Programming language in C & C++, java
- Arduino (IDE)
- Microsoft-word/Excel/Power Point
- SimulIDE
- Basic MATLAB software

## Language

- English 
- French 
- Khmer 

## References

### Lecturer: Dr. SRENG Sokchenda

Head of Department of Telecommunication and Network Engineering

**Phone:** +855 12 407 910

**Email:** sokchenda@itc.edu.kh

## Experience

### Arduino(IDE) Training Session

- 2024** • Completed a training session on the essentials of the Arduino controller, which was hosted by FABLAB-ITC.

### Charity & Field Trip Volunteer

- 2025** • Participated in the 2nd charity and field trip to Koh Kong Province with department's Telecommunication and Network engineering group.

## Education

### • English school

2016 – 2021: Graduated from Western International School

2010 – 2015: American Bridge International School

### • High school

2020 – 2022: Hun Sen Borey 100 Khnang High School

2017 – 2019: Hun Sen Pochentong High School

2009 – 2016: Sopheak mongkol Highschool

### • University

2022 – Present: Majoring in Telecommunication and Network Engineering
